

PANDOLO

A photograph of a wooden mallet and a yellow ball on a gravel surface. The mallet is positioned horizontally across the middle of the frame, with the ball resting on the gravel directly below it. The background shows a clear blue sky, some residential buildings, and a basketball hoop. The word "PANDOLO" is overlaid in large, orange, serif capital letters across the top half of the image.

2006/2007

Gimnazija Celje - Center

Roman Antic: shepherds

Middle Ages: prohibited □ expensive windows

Squares

200-year-old pandolo was found under
Prešeren square in Koper.

Mimoza, Baštardi, Paninari, Boškarini ...
